

Tycho Problems:

Please read thru and check this list first-

1- Are you logging into the correct quarter on Tycho? Autumn 05...

2- Have you refreshed the link?

3- Are you using the proper Net ID? First portion of your UW email address example: husky@u.washington.edu Net ID is: husky

4- Are you using the Last Four digits of their student number as the password?

Here are the various links to Tycho:

If you have just registered for the class (or have changed sections) allow at least **one day for class lists to be uploaded into Tycho.**

If you are a non-matriculated student you will need to contact Laura Clement at lclement@u.washington.edu or in PAC C136.
